

Grain Central Media Kit

AUSTRALIA'S DEDICATED ONLINE SOURCE FOR GRAIN INDUSTRY NEWS AND INFORMATION.

Comprehensive, in-depth grains industry news and market analysis in one free daily email. Grain Central is a daily online news and advertising service dedicated to the Australian grains industry. Developed by the same experienced rural media team behind Beef Central and Sheep Central. Grain Central gives grain industry stakeholders everything they need to keep up to date through a free website and convenient daily email alert:

- Original and exclusive industry news written by a dedicated team of grains industry professionals;
- In-depth market reports and trend analysis;
- Regular season and crop updates;
- Supply chain and demand developments;
- Weekly grain property news and job listings

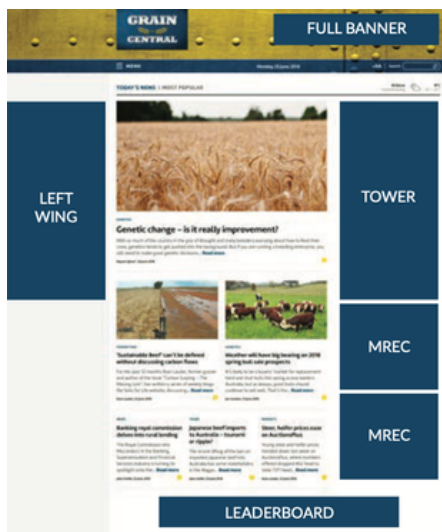

If it matters to the grains industry, you'll read it on Grain Central.

- 30,000 unique browsers every month
- 3,700 Email Alert subscribers (Mon, Wed, Fri)
